- In the unfortunate event of a complaint, DB Ltd have a ‘customer complaint form’ of which we would encourage the customer to complete and all matters will then be investigated and a resolution will be found.

Our **Values** are simple but true; we strive to be polite and courteous at all times, fair and honest in our trade, happy and friendly (although it may not appear so when busy!) and consistently reciprocate a service that we, ourselves, would be happy to be on the receiving end of. The following is short quotation that we find to be very true here at Dennis Barnfield Ltd (Groundcare) and may be found interesting to those who take the time to read and digest:

“It’s unwise to pay too much, but it’s unwise to pay too little. When you pay too much you lose a little money... that is all.

When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing you bought it to do.

The common law of business balance prohibits paying a little and getting a lot. It can’t be done. If you deal with the lowest bidder, it’s well to add something for the risk you run...

And if you do that, you will have enough to pay for something better.”

John Ruskin (1819 – 1900)
